Henry Marambio

Range Officers will be available at the Skeet and Trap Areas during the following scheduled times.

Wednesday	4:30pm - 7:00pm EST
Saturday	9:00am - 6:00pm EST
Sunday	12:00pm - 5:00pm EST

It is the intention of the ORSA Trap and Skeet Club to supply its members with a safe and efficient facility to meet and practice the time honored sport of Skeet and Trap. As such some rules are necessary. The list is NOT limited to what follows but serves as a good starting point.

1. Prior to shooting, All shooters (Members and Guest) **MUST** Check-In with the Range Officer and sign the logbook. **NO EXCEPTIONS!!** Please identify yourself as a member of guest to the Range Officer.
2. Each squad is responsible for reloading the skeet and trap machines and removing the cartons to the trash after completing their rounds.
3. Empty hulls damage the mowing equipment, are dangerous to the operators of this equipment, and are unsightly. Shooters are responsible for removing their empty hulls from the shooting field at completion of their rounds. DO NOT pick them up during the round (as you step off the pad).
4. Unsafe shooting practices or disruptive behavior will **NOT** be tolerated.
5. When done shooting, remember to **PAY** the Range Officer for rounds shot.

JOAD News

Lee Halstead

Five members of the JOAD Club, the "Atom Splitters" participated in National Tournaments held in Conyers, Ga on March 4,5 and 6, 2005. They were Stephanie Botica, Daniel Garey, Drew Bertoli, Chuck Chin and Roddy Lee. Stephanie placed first in her division in both the Southeast Region JOAD Indoor Championships and the NAA (National Archery Association) Indoor Championships. Daniel placed third in both Championships. Chuck Chin placed third in his division in the NAA Championships. Chuck was in the same division and group as Vic Wunderle, the Silver medalist in the 2000 Olympics. Drew and Roddy failed to place in the top three of their divisions in either Championships. If you have any questions, give me a call. Lee Halstead, 483-4098.
