VOL. 14 NO. 6

Indoor Range Upgrade

Bruce Fogelman

Plans are shaping up to complete installation of the automated target retrieval system at the indoor range this summer. The project will involve removal of the accumulated lead, replacement of the shot-up backboard, lighting enhancements, and other improvements. **Volunteers are needed to help.** This is a chance for those who use the indoor range to contribute to making it a first-class facility for practice and competitions. Please call Orie Rice at 604-3027 to let him know of your willingness to help.

For Sale
